OUR ADVICE FEES

Fair, Transparent, and Aligned with You

At JLFC, we believe great advice starts with transparency. That's why we've proudly followed a fee-for-service model since 2006 – ensuring our recommendations are always based on your needs.

You'll always know:

- What you're paying for
- What services you're receiving
- That our advice is in your best interest

How We Charge for Our Services

We'll agree on the fee structure that suits you best, which may be:

- A flat dollar amount
- An hourly rate
- A percentage of funds under advice
- Or a combination of these

How You Can Pay

- Direct invoice for initial or ongoing advice
- Deduction from your investment (where allowed)
- Insurance commissions (where applicable)
- A mix of the above

Our fees are based on the level of service and complexity involved – always discussed upfront, with complete transparency and no surprises. GST is included, and where advice is more complex, we'll confirm your fee in writing before proceeding.

We're here to ensure you feel confident, informed, and in control from day one.

Annual Service Fee

We charge an annual service fee (generally debited monthly) to provide you with on-call access to your dedicated financial adviser throughout the year and to receive tailored advice as required, along with administrative support to establish and manage your investments. Your adviser will review your plan with you annually, subject to your availability and agreement, and will consider changes in your circumstances or legislation that may impact you and any changes to financial products.

Fees depend on the services provided and are agreed upon in advance. Your Terms of Engagement, Statement of Advice, or Service Agreement will provide full details.

Statement of Advice

In some circumstances, we may charge separately for preparing a Statement of Advice. We will agree on the fee with you before preparing our advice.

Other Agreed Services

In some circumstances, we may agree to undertake a specified scope of work for you. Depending on your requirements, we may agree to a fixed price before commencing this work or completing the work on a time-cost or hourly rate basis. Our current hourly charge rates are \$550 per hour, including GST.

If you engage at an hourly rate before proceeding with any work, we will estimate the costs you may incur. We will also keep a detailed record of the work we undertake for you. Once our work is completed, this record will always be available to our clients.

Our advice fees (inclusive of GST) include charges for the following advice services*:

INITIAL CONSULTATION (Up to 90 min)	Complementary
STATEMENT of ADVICE PREPARATION DEPOSIT (one-off) <i>A deposit is required to execute the engagement terms and prepare our advice.</i>	\$1,975 - \$8,800
STATEMENT of ADVICE PREPARATION FEE (one-off) <i>This is a one-off fee for preparing financial advice, and it depends on the complexity of the Statement of Advice. The fee will be agreed upon prior to preparing the advice. It may range from \$3,950 to \$17,600+, including GST.</i>	\$3,950 - \$17,600
<i>The above range is indicative and based on complexity. The actual cost will be discussed and confirmed during your engagement appointment prior to proceeding with our advice. Complex advice will contain multiple goals, strategies and/or tax structures and therefore, fees charged will be at the higher end of the range, as will complex implementation. Less complex advice/implementation will therefore likely result in a lower fee.</i>	
ADVICE and STRATEGY IMPLEMENTATION FEE (one-off) <i>This is a one-off fee to implement our advice or change your financial products. This fee will be agreed to prior to the advice's preparation and included in the above advice preparation cost. Fees may be paid directly by you or collected through the product issuer where appropriate.</i>	\$3,300 - \$16,500
ANNUAL FINANCIAL PLANNING SERVICE FEE – Client Service Agreement <i>This is a monthly fee to provide you with on-call access to your financial adviser throughout the year and to receive tailored advice as required, along with administrative support to establish and manage your investments.</i>	\$5,500 - \$55,000

*Each case is assessed individually depending on need and complexity, and a fee consent document will be provided before formally engaging services.

Client Service Agreement

You can elect to enter into a 12-month Client Service Agreement (Agreement) as part of your financial planning strategy so you can receive advice services, such as a meeting to review your plan. Details of the services will be provided in your Agreement. The fee can range from a minimum of \$5,500 to a maximum of 1.32% of the value of your portfolio each year. The cost will be commensurate with the level of service needed and the complexity of the advice provided, and it will be outlined and agreed upon with you in the Agreement. For example, for investments valued at \$500,000, the minimum annual fee would be \$5,500 pa and the maximum fee \$6,600 pa. A flat dollar fee is also available and would be agreed to prior to entering an Agreement.

Borrowed funds - If we recommend that you acquire investments using borrowed funds, your annual fee will be an additional minimum of \$4,600 and a maximum of \$15,000 per annum.

COMMISSIONS

Commissions may be payable by product issuers for services concerning insurance. For insurance, the commission is factored into the annual premium and on 1 Jan 2020 is as follows:

- From 0% to 66% of the initial premium
- From 0% to 22% per annum of the renewal premium

Generally, the payment we receive will be based on the service provided. Details of other payments we receive are contained in the Product Disclosure Statements (PDS) for most financial product issuers, which are available from your adviser. You have a right to request further information concerning the remuneration, the range of amounts or rates of remuneration, and soft dollar benefits received by the licensee and representative.

HOW ARE WE PAID

Insight collects our fees (incl. GST) and retains a portion to support our business. This includes investment and strategy research, continuing education, compliance consulting, and business coaching, allowing us to provide you with the highest quality service and advice. The remainder of our fees is paid to Jakupovic Financial Consulting Pty Ltd, where your financial planner receives a salary.

WHY SHOULD YOU CHOOSE ME

I found refuge in Australia from war-torn Bosnia (formerly Yugoslavia) as a refugee visa entrant in the 90s. We lost our previous lives and faced the huge challenge of starting from scratch in a new country. But I had a plan and vision and was willing to work hard to make things happen.

These days, I enjoy life's simple pleasures: camping and spending quality time with my family and friends. I still have a plan and vision, and I continue to work extremely hard, but this time, I want to help improve the lives of my clients.
